 Jerry Apps, speaking on  
 "Rural Wisdom"

## Normal Hours Resume

After a winter marked with snow and cold weather, our library will be back to its normal schedule starting on April 6. **Be sure to plan on attending our first program of the year. Noted Wisconsin author Jerry Apps will be the featured speaker. The date is Monday, May 10, 2004.** Jerry will be speaking on "Rural Wisdom." It promises to be a great program. Mark the date on your calendar now!

## Major Improvements at Heritage Hall

As most of you know, D/JCGS occupies the lower level of "**HERITAGE HALL**" in Watertown. The building is owned and maintained by the renowned First Brigade Band. This past summer the band installed a new furnace and air conditioning, making the building much more comfortable. More recently they have added a state-of-the-art security system which protects the building against both fire and break-ins. As their tenants, we of course, share in the benefits of these enhancements. The band has a collection of Civil War era band instruments, which are virtually irreplaceable. Many of our records fall into that same category. We are indeed fortunate to have the additional security this new system affords. Our thanks to the band for making these important improvements to the building!
